

Session Eleven (Team Management)

“Effective Team Management for an Organization”

To win the marketplace, you must first win the *workplace*— Doug Conan

Talent wins games, but teamwork and intelligence win *championships* – Michael Jordan

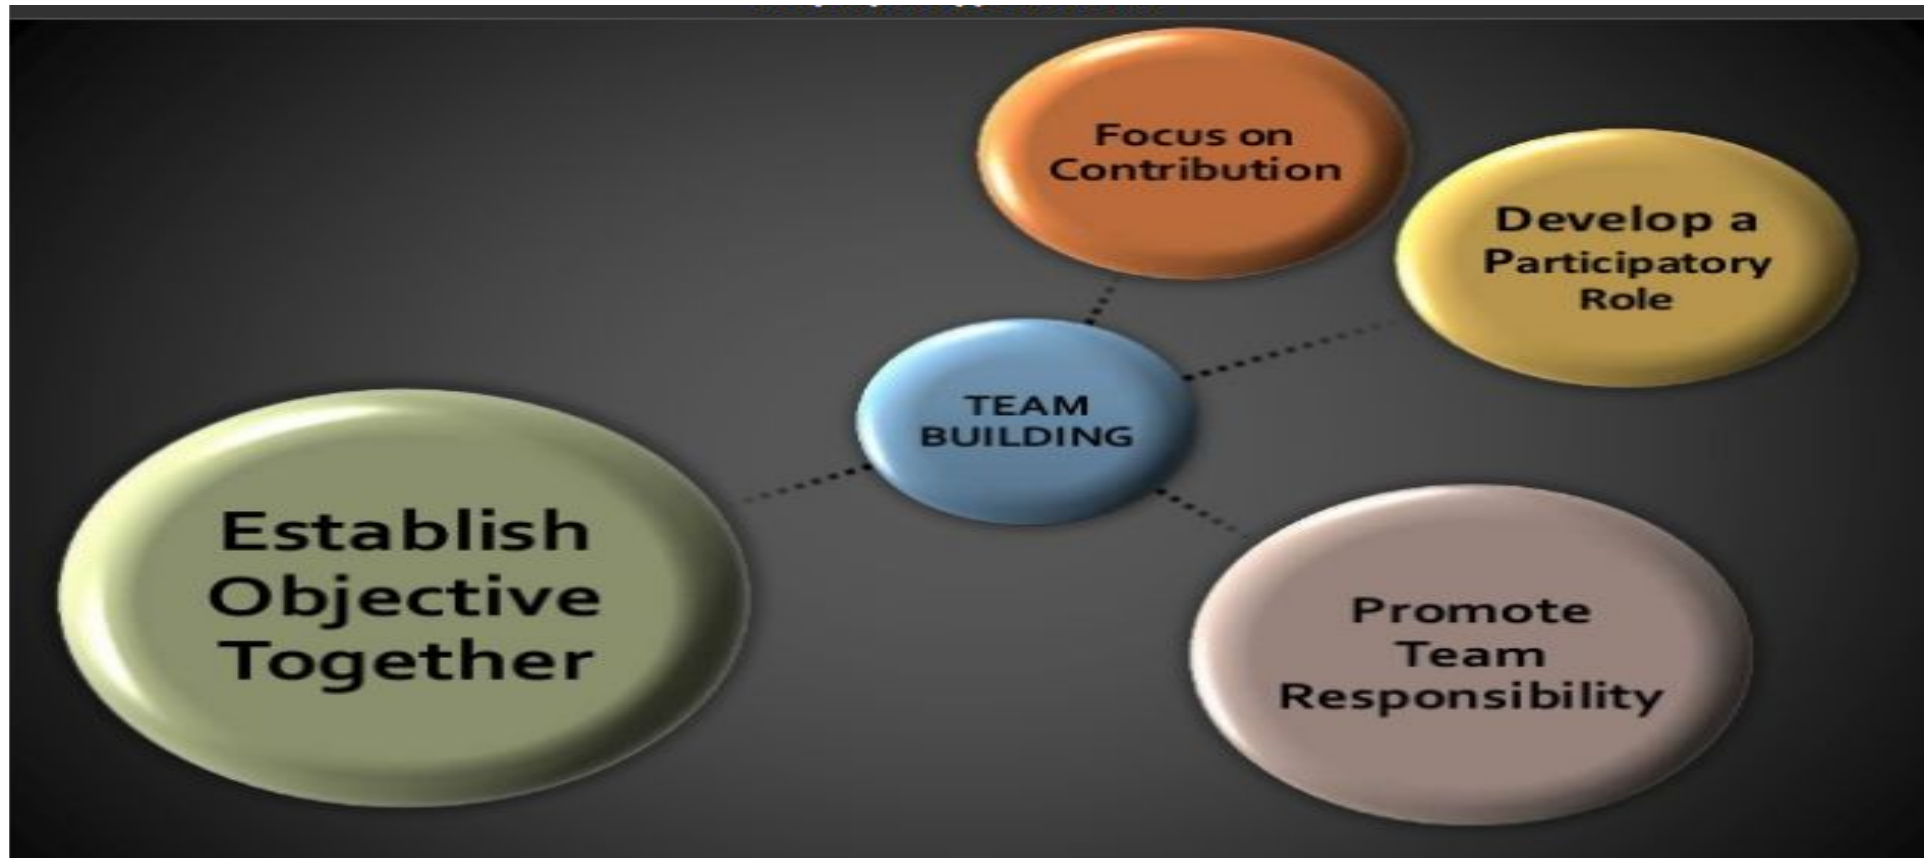

So, teamwork is essential for any organization

A team is defined as a group of people who perform interdependent tasks to work toward accomplishing a common mission or specific objective

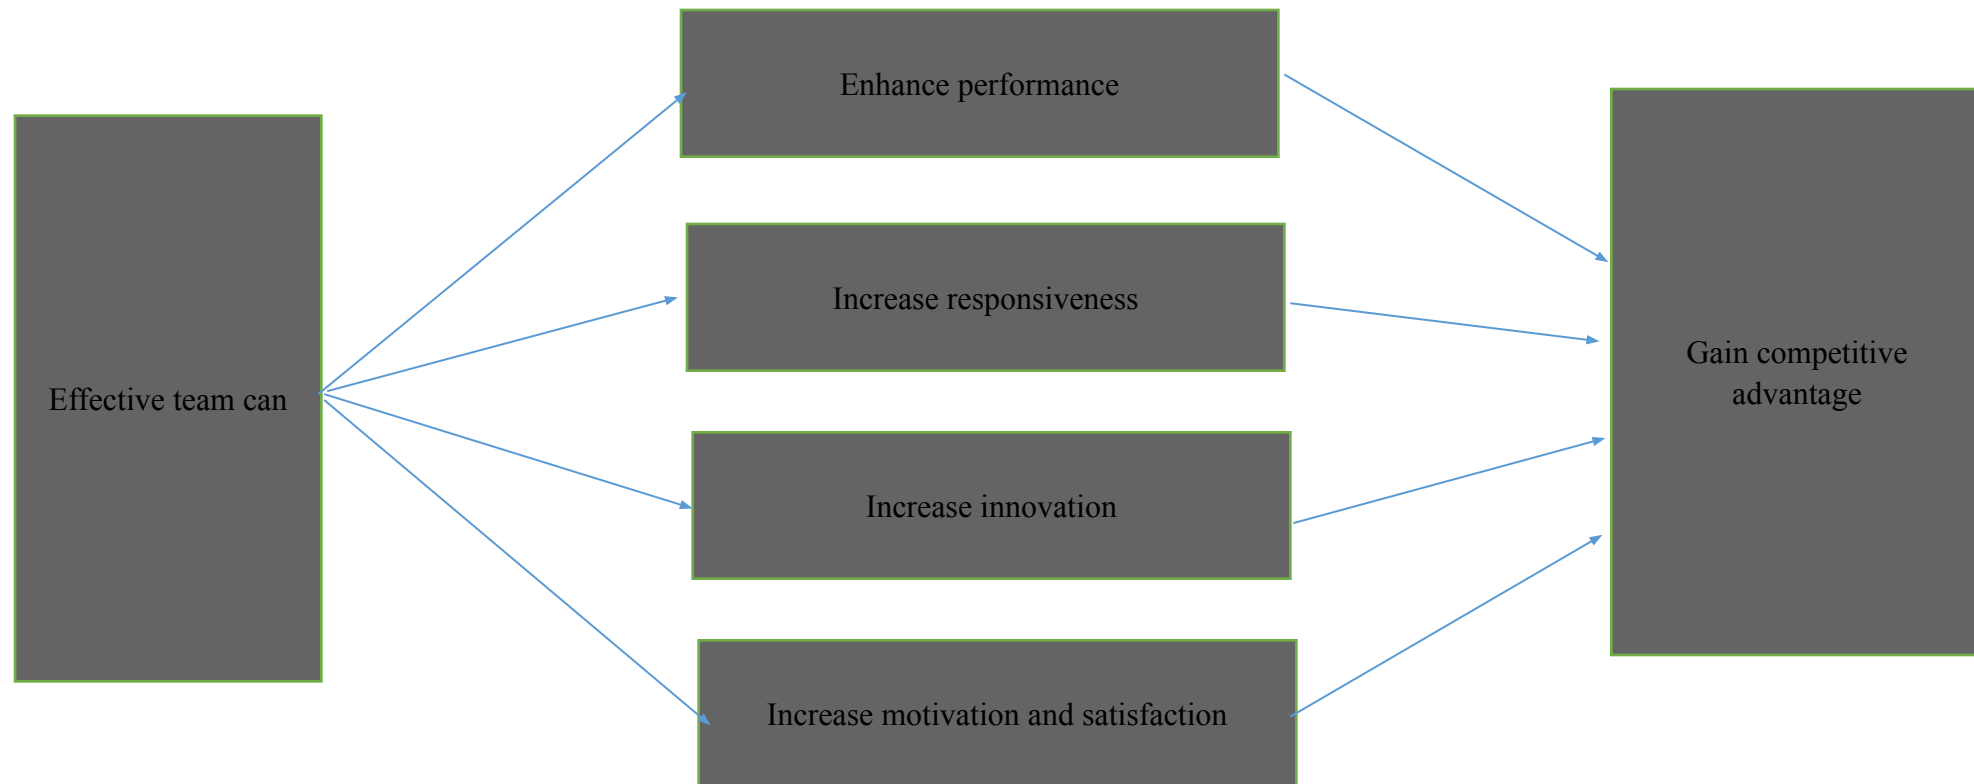

Team building

A strategy that can help groups to develop into a real team

Effectiveness of Team Management

*Key factors to successful performance of a team: **S.C.O.R.E***

Strategy

Clear Role & Responsibility

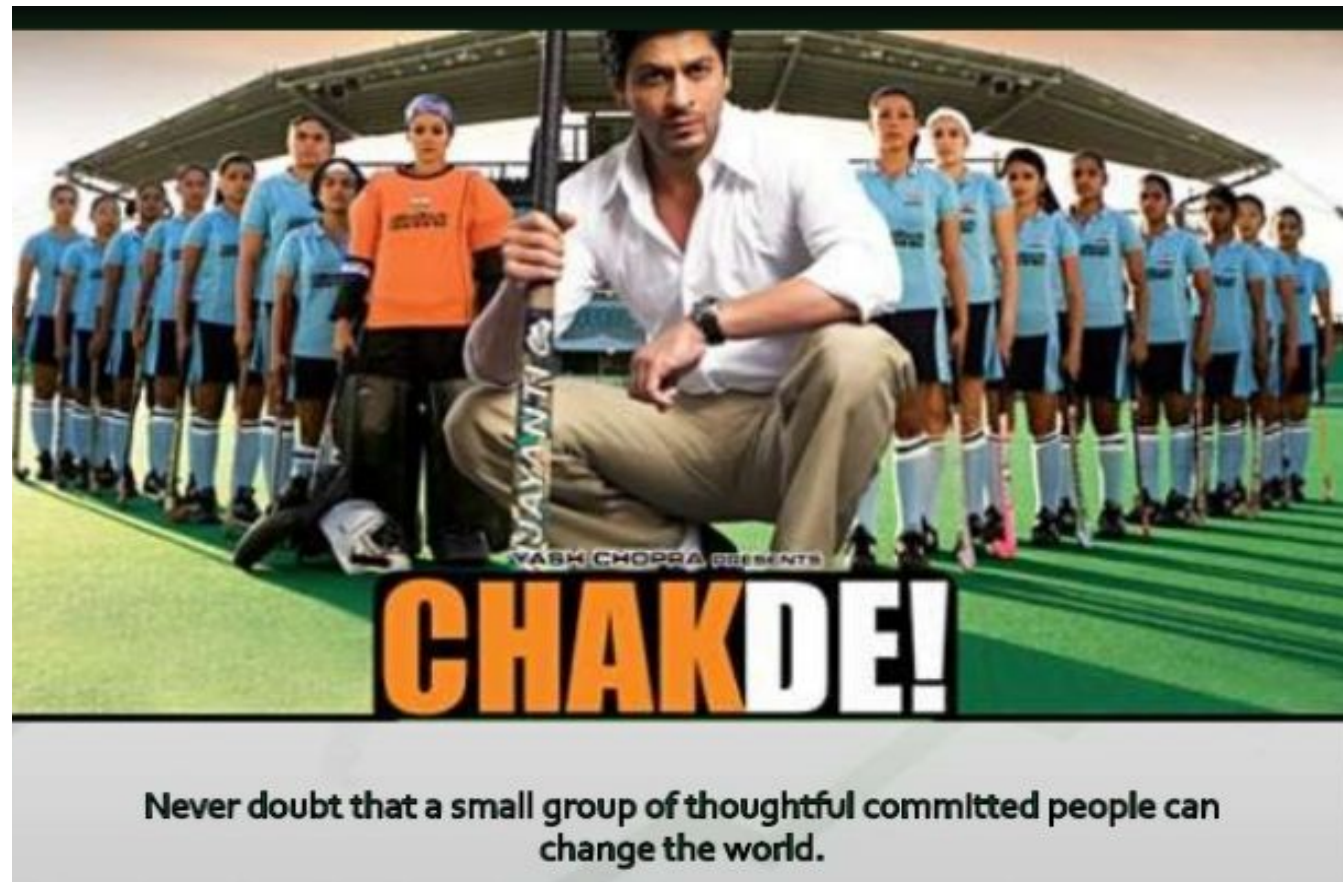

Open Communication

Rapid Response

Effective Leadership

Practical example

Class Task

- **Based on your real life experience, could you determine the effectiveness of team management of any organization of your choice? Explain how the effective team management of that organization ensured increased performance, responsiveness, innovation and satisfaction.**
